Products:

A screenshot of a web browser showing the 'Create Product' form. The browser's address bar displays 'localhost:44332/products/Create'. The page has a dark header with the application name and navigation links. The form contains input fields for 'Name' (with the value 'Teclado') and 'Price' (with the value '250'). Below the inputs is a 'Create' button and a 'Back to List' link. The footer shows the copyright notice '© 2023 - Mi aplicación ASP.NET'.

A screenshot of the 'Index' page of the web application. The browser's address bar shows 'localhost:44332/products'. The page features a table with two columns: 'Name' and 'Price'. Two products are listed: 'Laptop' with a price of 6000, and 'Teclado' with a price of 250. Each row has links for 'Edit', 'Details', and 'Delete'. A 'Create New' link is located above the table. The footer displays '© 2023 - Mi aplicación ASP.NET'.

Customers:

A screenshot of the 'Create Customer' form in the web application. The browser's address bar shows 'localhost:44332/customers/Create'. The page layout is consistent with the previous screenshots, featuring a dark header and a footer with the copyright notice. The form has a 'FullName' input field containing the text 'Melany Arbieto'. Below the input field are a 'Create' button and a 'Back to List' link.
